2nd Announcement

Combined Meeting of the

46th Malaysian Orthopaedic Association
Annual General Meeting / Annual Scientific Meeting

10th ASEAN Arthroplasty Association Meeting 2016

Fundamentals In Orthopaedics – Back To Basics

Pre-Conference
25th May 2016

Conference Days
26th to 28th May 2016

Persada Johor International Convention Centre, Johor Bahru, Malaysia.

CONFERENCE VENUE
Persada Johor International Convention Centre
Jalan Abdullah Ibrahim
80730 Johor Bahru, Johor

Tel : +607 219 8888    Fax : +607 219 8889

The Malaysian Orthopaedic Association (MOA) has 2 awards to recognise the best published journal papers in the preceding year by members of our association. The aim of these awards is to promote research and publication culture among MOA members and to recognise their contributions in the field of orthopaedics. The following 2 annual awards are opened to Malaysian orthopaedic surgeons who continue to do research and publish their work in orthopaedic journals.

**SUBIR SENGUPTA BEST PUBLISHED CLINICAL PAPER AWARD**
This award is to recognise the best published clinical paper for journal papers published in 2015 (between 1st January 2015 to 31st December 2015) in either hardcopy or online journals.

**P. BALASUBRAMANIAM BEST PUBLISHED TRANSLATIONAL MEDICINE (NON CLINICAL) PAPER AWARD**
This award is to recognise the best published translational medicine paper for journal papers published in 2015 (between 1st January 2015 to 31st December 2015) in either hardcopy or online journals.

**THE PRIZE**
- A cash prize of RM 2,000 for SUBIR SENGUPTA BEST PUBLISHED CLINICAL PAPER AWARD.
- A cash prize of RM 2,000 for P. BALASUBRAMANIAM BEST PUBLISHED TRANSLATIONAL MEDICINE (NON CLINICAL) PAPER AWARD.
- The cash prizes are donated by Yayasan Ortopedik, Department of Orthopaedic Surgery, Faculty of Medicine, University of Malaya.

**ELIGIBILITY**
- The applicant for either award must be the first author of the paper, and also a member (ordinary fellow) of MOA.
- Journal papers published in 2015 (between 1st January 2015 to 31st December 2015) in either hardcopy or online journals will be eligible.
- Journal papers submitted or “in press” will not be eligible.
- Authors of award winners will be required to present their paper during the MOA Annual Scientific Meeting to be eligible for the cash prizes. Award winners will be notified beforehand.
- The winning paper will be presented in a 10 minutes presentation followed by a 5 minutes Q&A session during the MOA Annual Scientific Meeting.

**CRITERIA**
- Originality and level of scientific evidence of the study.
- Potential impact towards medical science and medical practice especially in the field of orthopaedics and trauma.

**APPLICATION**
- PDF copy of the paper must be submitted online before 5.00pm, 5th February 2016.
- Submission must be made by the first author of the paper.
- A selection committee will be formed by the Malaysian Orthopaedic Association to evaluate all submissions and winners will be announced before 30th April 2016.
It is my great privilege to invite you to the combined meeting of the 46th Malaysian Orthopaedic Association Annual Scientific Meeting and 10th ASEAN Arthroplasty Association Meeting 2016 which will be held from 25th to 28th May 2016 in Johor Bahru, Malaysia.

The theme for this year’s meeting is “Fundamentals In Orthopaedics – Back to Basics”. With the rapid advancement of medicine and the exciting array of implants and surgical approaches that are pitched to surgeons on an almost daily basis; it is good for us to take stock and go back to basics to review the fundamentals of the way we practice orthopaedics. Doing so will help us to focus back on why and how we practice. This, I believe will remind us to see our patients as a whole person and therefore deliver better healthcare to those we have taken the oath to care for. By doing so, we will also be sharing and guiding our future orthopaedic surgeons down the right path.

Our MOA ASM organising committee under the capable leadership of Dato’ Dr Azmi Baharudin and Associate Professor Dr Abdul Halim Abd Rashid will no doubt come up with a comprehensive scientific programme. I look forward to the interesting entries for the competitive Mahmood Merican Best Masters Thesis Awards and Best Basic Science Poster Awards this time around. We also hope to receive more entries for the Subir Sengupta Best Published Clinical Paper Award and P. Balasubramaniam Best Published Translational Medicine Paper Award.

I am proud to announce that the 10th ASEAN Arthroplasty Association Meeting 2016 will be joining our meeting. We look forward to reconnecting with many fellow arthroplasty surgeons from around our region during this meeting. With Dr Jamal Azmi Mohamad at the helm of the AAA meeting organising committee, we can all anticipate highly thought-provoking and highly interactive sessions.

For this meeting, we chose Johor Bahru’s exciting and vibrant Iskandar Malaysia region as our host city. Johor is accessible by air, land, rail and sea. One can fly into Johor via Senai International Airport which is well connected to regional airports in our neighbouring countries and it’s within 6 to 8 hours flight time radius from both East and West of Asia’s vibrant metropolises such as Delhi, Dubai, Hong Kong, Seoul, Taipei and Tokyo. Johor has much to offer the intrepid traveller from local cuisines to cultural customs. There is something for everyone in the family. For those who enjoy the outdoors, Johor is home to some of the world’s oldest rainforests including the legendary and mysterious Gunung Ledang to beautiful islands which are an open secret with scuba divers from around the world. If you enjoy hunting down a bargain, the Johor Premium Outlets would satisfy even the most well-travelled shopper. Come with your family and extend your stay after the meeting for a day out at Legoland and Sanrio Hello Kitty Town.

With so many things planned, we look forward to meeting you in May 2016.

Yours Sincerely,
Dato’ Dr Badrul Shah Badaruddin
President
Malaysian Orthopaedic Association
**SUBSPECIALITY INTEREST GROUP MEETINGS**

- Meetings will be held at rooms labelled Interest Group Room 1, Interest Group Room 2, Interest Group Room 3 and Interest Group Room 4 in Persada Johor International Convention Centre, Johor Bahru.
- Interest Group Meeting rooms and schedules may be subject to change. Please refer to the INFORMATION BOARD for latest updates.
- If you wish to secure a room for a meeting, kindly check with the Secretariat at secretariat@moa-home.com.

The ASEAN Arthroplasty Association (AAA) was founded in 2007 by a group of arthroplasty surgeons from the ASEAN countries who first met in Singapore in 2007. The mission of the ASEAN Arthroplasty Association is to promote and develop the knowledge and skills in hip and knee reconstruction surgery in the ASEAN countries and to serve as a platform for academic excellence and nurturing clinical research. Malaysia first became host for this prestigious conference in 2011, and it is our privilege to be your host again in 2015. Throughout the years we have made many new friends, strengthened bonds of friendship and trained many young surgeons within the region. Many new technological advances have come our way and have helped us in our daily clinical practices. The theme of our conference this year is “Back to Basics”; reminding us that despite the advances of modern medicine, basic sciences and basic principles of surgery needs to be revisited from time to time as it is the key to being a good surgeon.

I would like to encourage the senior and accomplished surgeons in this field as well the young upcoming surgeons who may find their way into the field of arthroplasty to join us in this conference. The scientific programme has been designed to meet the expectations of all participants. This conference will also be an important platform for social networking and making new friendships. The sights and sound of Johor Bahru promise an exciting touring experience for our foreign guests. I hope to see you at the Conference!

Yours Sincerely,

Dr Jamal Azmi Mohamad

Note: Scientific Conference registration is inclusive of a Congress Dinner on 27th May 2016 night. If your partner would like to attend the Congress Dinner, the dinner ticket is RM 180.

**Masters Programme Workshop For Year 1 To 4 (28th May 2016, Saturday Only).**
*Kindly note that this programme is included if you have registered for the full conference

**Single Day Registration Pass**
- Applies for Masters Programme Only
- Includes Coffee and Tea Break

**PAYMENT**

All payments are to be issued in favour of

**MALAYSIAN ORTHOPAEDIC ASSOCIATION**

- Bank Name: Malayan Banking Berhad (Maybank)
- Bank Address: Kuala Lumpur Main, Wilayah Persekutuan, Malaysia
- Account Number: 514011010094
- Swift Code: MBBEMYKL

Accepted payment mode:
- Online Credit Card Payment
- Bank-in Cash or Cheque
- Online Transfer or Telegraphic Transfer
- Letter of Guarantee by companies, hospitals or institutions
- Local Purchase Order (LPO) by Malaysia Government Hospitals

All registered conference attendees will be emailed confirmations. Print your confirmation letter and bring it with you on the day of the conference for a smooth registration process.

**CANCELLATION AND REFUND POLICY**

The secretariat must be notified in writing of all cancellations. Refund will be made only after the conference and only applicable under the following circumstances.

- Cancellation on or before 31st March 2016: 50% refund
- Cancellation after 31st March 2016: No refund.

If no refund is required but a change in participant registration is needed, then the Secretariat must be informed in writing via email to secretariat@moa-home.com

**MOA MEMBERSHIP**

The registration price for MOA Members is only applicable if your MOA membership is still valid. If your membership details are filled in or are no longer current, your conference registration will automatically be processed as a Non-MOA Member.

To check your membership status, please contact MOA office at +603 4025 1300 / moa@moa-home.com. If you wish to apply or renew your membership, you may download the form from MOA website at www.moa-home.com.

**CERTIFICATE OF ATTENDANCE**

A certificate of attendance will be issued to all delegates. CPD points will be awarded.
CALL FOR ABSTRACTS FOR 46TH MOA ANNUAL SCIENTIFIC MEETING 2016

ABSTRACT SUBMISSION GUIDELINES for FREE PAPER ORAL PRESENTATIONS & POSTER PRESENTATIONS

1. Anyone who has conducted relevant orthopaedic research is invited to submit abstracts for Free Paper Oral Presentations and Poster Presentations. Abstract submission will open in December 2015 and the deadline of submission is before 5.00pm, 5th February 2016.

2. All abstracts will be reviewed by the Scientific Committee. The Committee reserves the right to select the abstracts relevant to the sessions and decide on the final form of presentation.

3. The research work submitted must be conducted substantially by the applicant. The work has to be original and must not have been presented in conferences or published previously.

4. If the abstract is accepted, applicants MUST register for the conference and present the abstract during the conference.

Abstract Template & Guidelines

1. Abstract template can be downloaded at www.moa-home.com/moa2016. Please use the template provided.

2. The abstract must be limited to 600 words including title. Font size 12, Times New Roman, single spacing and justified fields is the accepted format for abstract submission. Use the abstract template for spacing and organisation of subsections.

3. Up to 3 figures including graphs and tables, etc. are allowed in each abstract. The font size within the figures must be clearly visible and must not be less than size 10.

4. All texts and figures/tables must fit within one 2-column page, with 0.75" margin.

5. The author(s) and institution(s) must be clearly mentioned but will be blinded by the secretariat during the evaluation process.

6. If the abstract contains identifiers (e.g. name of hospital in the text body), the authors will need to underline them in order for the secretariat to omit them when it is sent for evaluation.

7. Only abstracts submitted in Microsoft Word file and not more than 2.5MB in size will be considered. Authors are responsible to make sure all the text and figures are visible and formatted correctly for reviewers.

8. Abstract content should consist of:-
   a. Introduction
   b. Materials and methods
   c. Results
   d. Discussions
   e. Conclusions
   f. References

9. Do note that successfully accepted abstracts will be published in the supplementary issue of the Malaysian Orthopaedic Journal (MOJ) (ISSN 1985-2533) unless informed by the applicant that he/she does not want the abstract to be published there.

10. All materials accepted for publication in MOJ will become the permanent property of the Journal. The journal allows readers to read, download, copy, print, search and distribute the published articles, provided the authors are properly acknowledged and cited.

11. For those who agree to have their abstracts published in the supplementary issue of MOJ, the successful applicants may be required to resubmit the abstract with high-resolution figures for publication at a later time.

12. Applicants may choose not to have that particular abstract published in the supplementary issue of MOJ.

13. During online submission of abstracts, you will be given the opportunity to indicate if you wish for this submission to be published or not published in the supplementary issue of MOJ.

14. Abstracts which have excerpted content from previously published articles or published abstracts must be declared upon submission and cannot be published in MOJ. This is to ensure that there will not be any copyright infringement issues or accusations of plagiarism. Please note that in the event of any issues arising from these abstracts including legal issues, the applicant is solely responsible.

Disclaimer

The organisers of this event and MOA take no responsibility for any published abstracts submitted. Any issues or errors arising from the abstracts are solely the responsibility of the authors.

IMPORTANT NOTICE

1. All abstract submissions must be done online using the online abstract submission link on www.moa-home.com/moa2016 before 5.00pm, 5th February 2016.

2. The abstract template can be downloaded from the official conference website. Please use the template provided.

3. Abstract must be submitted in 1 A4 page, saved in Microsoft Word file amounting to not more than 2.5MB in file size.

4. Please follow the guidelines set in Numbers 5 to 12 above.

The categories for FREE PAPER ORAL & POSTER PRESENTATIONS are:-

- Arthroplasty
- LLRS
- Foot & Ankle
- Hand
- Oncology
- Orthopaedic Research
- Paediatrics
- Spine
- Sports
- Trauma

If you wish to be considered for any of the Awards, please refer to the rules and regulations for the specific Awards.
MAHMOOD MERICAN BEST MASTERS THESIS AWARD

1. This is an annual award for the best original scientific or clinical paper submitted by young trainees in orthopaedic surgery in Malaysia, and submitted for presentation at the Annual Scientific Meeting of the Malaysian Orthopaedic Association.

2. This award was initiated in 1997 by Dato’ Dr Mahmood Merican, whom the award is named after. He is a well-known orthopaedician and a philanthropist who has donated (not only for this award) but a great deal to the orthopaedic community both in cash and in kind.

3. The objective of this award is to encourage a high standard of research and scientific presentations among our young trainees so that we do not just have surgeons who can perform great surgery but are themselves thinkers who understand the underworking of sound scientific work and therefore practice good judgement when weighing the applicability of scientific merits in their daily practices. This award has demonstrated good outcomes and each year the competition gets tougher. We wish all the applicants Good Luck!

THE PRIZE
A cash prize of RM 2,000.00 donated by Dato’ Dr Mahmood Merican.

REGULATIONS:
1. The competition is open to all registered as trainees at the time of submission and is currently working in hospitals in Malaysia.
2. The work may take the form of clinical trials, surveys, retrospective studies, laboratory experiments, or any other form of unpublished original work.
3. The bulk of the work submitted must be performed by the author himself/herself even though he/she may have done the work in conjunction with other doctors or agencies either locally or overseas. However, the work must be carried out in Malaysia.
4. Applicants must not have submitted similar work in any other competition, including for this award previously.
5. The abstract will be evaluated on the following criteria:-
   - The relevance of the work to orthopaedic research or practice.
   - The scientific merit of the research.
   - Sufficient introduction to justify clear research question.
   - The appropriateness of the methodologies used.
   - The interpretation of results and conclusions.
   - Presentation skills.
   - Ability to answer questions from the judges.
6. Upon the close of the abstract submission period, all abstracts will be reviewed by the Scientific Committee and shortlisted to 5 finalists. All authors will be notified of the status of their paper.
7. All results are final, however the Scientific Committee has the right to make the final decision during special circumstances.
8. The author himself/herself of a top 5 finalist paper must present an oral presentation of the paper during the Annual Scientific Meeting of MOA. This consists of 8 minutes oral presentation, followed by 2 minutes of Q&A by the panel of judges. The winner will be announced during the Congress Dinner and he/she must be present to accept his/her award.
9. All applicants may request for the detailed results of the submission after the competition is over, provided it is approved by the Scientific Committee.
10. Non-finalists may be offered to present their work as a free paper oral presentation or poster presentation during the MOA Annual Scientific Meeting.
11. All finalists and non-finalists presenting at the MOA Annual Scientific Meeting must register for the conference as a participant.

APPLICATION:
1. Abstract submission must be made online at our website. The deadline for submission of abstracts is before 5:00pm, 5th February 2016.
2. Please refer to and adhere strictly to the ABSTRACT SUBMISSION GUIDELINES for FREE PAPER ORAL PRESENTATION and POSTER PRESENTATION for the accepted format of submission. The same submission format applies for those submitting for this award.
BASIC SCIENCE POSTER AWARD

1. This award is open to all scientists regardless of origin or positions, provided the research is related to the field of orthopaedics.
2. This award was created more than 5 years ago to increase the participation of scientists to do orthopaedics related research work in Malaysia. It is hoped that by doing so, MOA encourages more people to engage in serious research work, purely driven towards understanding the very fundamentals of sciences that has an enormous impact on orthopaedic practices.
3. This award is generously donated in full by Dato’ K. S. Sivananthan, who is a veteran, an esteemed member of the Malaysian Orthopaedic Association and patron of this award since its inception.

THE PRIZE
A cash prize of RM 1,000.00 donated by Dato’ Dr K. S. Sivananthan.

REGULATIONS
1. This award is open to all scientists regardless of origin or positions provided the research is related to the field of orthopaedics (based on the interpretation of the Scientific Committee).
2. The work may take the form of clinical trials, surveys, retrospective studies, laboratory experiments or any other form of unpublished original work.
3. The bulk of the work submitted must be performed by the author himself/herself even though he/she may have done the work in conjunction with other doctors or agencies either locally or overseas. However, the work must be carried out in Malaysia.
4. The abstract will be evaluated on the following criteria:-
   - The relevance of the work to orthopaedic research or practice.
   - The scientific merit of the research.
   - Sufficient introduction to justify clear research question.
   - The appropriateness of the methodologies used.
   - The interpretation of results and conclusions.
   - Presentation skills.
   - Ability to answer questions from the judges.
5. Upon the close of the abstract submission period, all abstracts will be reviewed by the Scientific Committee and shortlisted to 5 finalists. All authors will be notified of the status of their paper.
6. All results are final, however the Scientific Committee has the right to make the final decision during special circumstances.
7. The author himself/herself of a top 5 finalist abstract must present oral presentation of the paper as well as a poster presentation during the Annual Scientific Meeting of the MOA.
8. The oral presentation component is a 3 minutes oral presentation, followed by 3 minutes of Q&A by the panel of judges.
9. This is followed by a second round of judging at the poster panels. The assigned time for the poster presentation judging will be closer to the conference date.
10. The winner will be announced during the Congress Dinner and he/she must be present to accept his/her award.
11. All finalists and non-finalists presenting at the MOA Annual Scientific Meeting must register for the conference as a participant.

APPLICATION
1. Abstract submission must be made online at our website. The deadline for submission of abstract is before 5.00pm, 5th February 2016.
2. Please refer to and adhere strictly to the ABSTRACT SUBMISSION GUIDELINES for FREE PAPER ORAL PRESENTATION and POSTER PRESENTATION for the accepted format of submission. The same submission format applies for those submitting for this award.
Combined Meeting of the 46th Malaysian Orthopaedic Association Annual General Meeting / Annual Scientific Meeting & 10th ASEAN Arthroplasty Association Meeting 2016

Pathophysiology, Clinical And Classification Of Diabetic Foot
Foot At Risk - Screening And Examination
Infected Foot
Critical Limb Ischemia In Diabetic
Charcot Foot
Limb Salvage In Diabetic Foot
Major Amputation - Indication, Risk And Prognosis

Highlights :
Diabetic Foot Symposium – An Update On Role Of Orthopaedic Surgeon

Clinical - What To Ask And How Do I Examine?
- Shoulder Degenerative
- Spine
- Hip

How I Examine With Concise Approach
- Shoulder Instability
- Spinal Deformity

General Evaluation Of Trauma Patients
Dissertation Literature Search And Choosing A Suitable Topic

Highlights :
History Taking And Examination Technique Symposium

Surgical Approach – Basic Steps In Orthopaedic Surgery

Deitopectoral Approach For Bankart Lesion
Exploration Radial Nerve And Lower 3rd Humerus Fracture
Chevron Osteotomy Intercondylar Humerus Approach
Radial Head Fracture
Comminuted Distal Radius - Do We Need Carpal Tunnel Release?
Zone II Flexor Tendon Injuries - How To Optimize Outcome?
Laminectomy - Tips And Tricks
Kochers Langenback Approach Acetabulum
Drainage Hip Septic Arthritis
Fail Closed Reduction NOF Fracture
TKR - Why Subvastus, Mid-vartus Or MIS?
Gastrocnemius Flap
Talus Fracture

Highlights :
Surgical Approach – Basic Steps In Orthopaedic Surgery

Prophylaxis Antibiotics
Infected Non Union
Damage Control In Orthopaedic Trauma
Open Fracture Tibia " Principle And Update"
Physeal Injuries
Biomaterial In Joint Replacement
Metastases ‘Pathophysiology And Principle Of Treatment’
Spinal Stenosis ‘Evaluation And Treatment’
Thoraco Lumbar Fracture Principle Of Treatment
Evaluation Of Chronic Shoulder Pain
Angular And Rotational Deformity In Children
Ankle Instability
Principle Of Tendon Transfer

Highlights :
Back To Basics In Orthopaedics

Single Day Registration Pass is available at RM265

If you have registered for the full conference, this programme is included.

Calling for Masters Trainees!
28th May 2016 0900 - 1730 hrs
ABOUT JOHOR BAHRU

A Hidden Gem In Peninsula Malaysia
Many travellers tend to skip the largest city in the Southern Peninsula, but Johor Bahru has come a long way from its days as a chaotic border town. These days, Johor Bahru is a wonderful mix of old and new, with houses of culture such as museums, temples and mosques and a heritage district that offers a glimpse of old world Malaya. The trendy galleries and cafes located around town will appeal to any wandering soul. If you are the nature-loving individual, the Iskandar region has multiple parks, trails and natural areas that would be guaranteed to wake up and de-stress any weary mind. For the young and young at heart, Johor Bahru is home to two theme parks, namely Legoland and Sanrio Hello Kitty Town. Shopping will not take a back seat here, with Johor Premium Outlets being the go-to place for great deals on quality items. With the Iskandar development project going on here, Johor Bahru is set to constantly evolve, surprising visitors each trip they make.

Join as a MOA member and enjoy the following benefits:-

- Discounted registration fees for the MOA Annual Scientific Meeting
- Access to the “MOA Members Only” area at www.moa-home.com
- Subscription to the MOA Newsletters
- Obtain up to date news and announcements on upcoming international and national conferences.

To apply for MOA Membership, you may download the form from the MOA website at www.moa-home.com. Each applicant must give 2 weeks for their membership application to be approved.

Grab this opportunity to be a part of MOA. With the increasing number of orthopaedic workforce in the country, MOA endeavours to maintain the quality of orthopaedic care. We also hope that through regional and international cooperation, development of subspecialty fields will be enhanced.

If you wish to update your membership immediately or check your status, please contact MOA office at +603 4025 1300 / moa@moa-home.com.
